

# HEMEL® Imersol™ Aqua

**Description:** Water-based timber preservative for dipping

**Color:** Clear

**Type:** Water-based

**General Features:**

- Easy application on site by dipping
- Clear
- Odorless
- Complies with European Norms
- Environmentally friendly
- Ready to use

**Packaging Size:** 20 L., 200 L., 1000 L.

**Where To Use:**

- Exterior softwoods to be painted above ground level

**Product Data:**

Density (g/cm <sup>3</sup> ):	1 ± 0,02
VOC (g/L):	0
Application Method:	Dipping
Shelf Life (5-35°C):	2 years for unopened plastic can
Coverage:	At least 15 L for 1 m <sup>3</sup>
Drying Time (at 20°C and 40-65% relative humidity):	Complete Dry: 24 hours
Thinning:	Ready to use, does not require thinning.

**Surface Preparation:**

- Timber surface must be completely clean and moisture content of the wood should be below 20%.

**Application:**

- The product is ready to use and does not require thinning.
- Dip the timber in a stainless steel, polyester or polypropylene tank containing HEMEL Imersol™ Aqua. The dipping time for softwoods is approximately 6 minutes.
- Take out the treated timber over the tank and allow the preservative on the surface to drip for around 2-3 minutes.
- Wait 24 hours for complete dry before coating.

**Instructions:**

- FOR EXTERIOR USE ONLY.
- Keep product closed when not in use.
- The general application temperature of the product is between 15°C to 25°C at a relative humidity range of 40-65%.
- The moisture content of the wood should be max. 20%.
- The product should be protected from freezing and stored at temperatures between 5°C to 35°C.

**Safety Precautions:**

- USE WITH ADEQUATE VENTILATION.
- KEEP OUT OF REACH OF CHILDREN.
- Do not transfer contents to other containers for storage.
- Do not use empty plastic cans for other purposes.
- To avoid overexposure, open windows and doors or use other means to ensure fresh air entry during application and drying.
- Avoid contact with eyes and skin.
- Wash hands after using.
- FIRST AID: In case of eye contact, flush thoroughly with large amounts of water. Get medical attention if irritation persists. If swallowed, call Poison Control Center, hospital emergency room, or physician immediately.
- Dispose of contents/plastic cans in accordance with national regulations.
- Please refer to the Safety Data Sheet (SDS) of the product for health and safety information.
